

**Health Care Representative Report. . . by Jesse Aguirre**

# APWU Health Care

First, I would like to thank the Executive Board for their vote to have me represent you by allowing me to serve as your new APWU Health Care Representative. I will try my HARDEST to represent you all to the best of my abilities.

With me also having the APWU Health Care High Option Plan, it will help me understand more to be able to provide you with the great resources and information this plan has to offer.

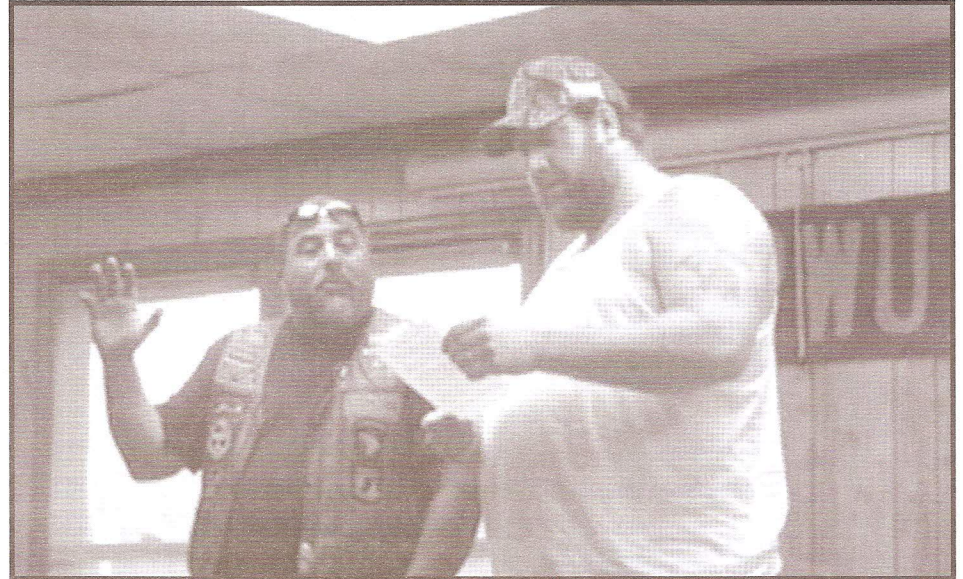

I have had this plan for 2 years and have had the best quality service with this plan with no complaints. The most important thing I am happy with is the low deductibles this plan has to offer. Here are some examples:

**High Option Plan highlights**

- \$20 copay for office visits, including specialists
- \$40 copay for all urgent care centers
- \$10 copay for generic drugs
- \$350 deductible for Self or \$700 for Self Plus One and Self and Family, in network
- Routine dental coverage
- Cancer Centers of Excellence paid at 95%k
- Discount vision program
- Extra dental discount when you complete a Health Risk Assessment
- Hearing aid benefit

The Consumer Driven Option, the other option, is an excellent alternative to traditional plans,

We are getting close to open season so please keep this in mind. You can also visit their website at <https://www.apwuhp.com/our-plans/high-option/benefits-at-a-glance/> (High Option)
