Precareer employees now eligible for dental, vision benefits

The Federal Employee Dental and Vision Insurance Program is now available to Postal Service precareer employees.

The program, also known as FEDVIP, includes comprehensive dental and vision benefits for employees who choose self, self plus one, and self and family coverage.

Premiums for FEDVIP are paid by the employee with no agency contributions. Several national and regional plans are available, and participating precareer employees will pay premiums post tax.

Enrollment is open now through September 24. After this date, you will only be able to enroll during the annual open season period or within 60 days of a qualifying life event.

To enroll, go to www.benefeds.com (“w-w-w DOT b-e-n-e-f-e-d-s DOT com”) or call 1-877-888-FEDS. The TTY number is 1-877-889-5680.

To stay abreast of the benefits available to you, sign up for text message updates by texting “PRECAREER” to 39369. Standard rates may apply.

Thanks for the great job you do every day.
